INTERNAL/EXTERNAL JOB POSTING FOR

Surgical Care Clinical Educator

(**REGULAR FULL-TIME, Averaging 75 Hours Per Pay Period**)

POSITION SUMMARY:

Reporting to the Director of Perioperative Service and Director of Professional Practice. The Surgical Care Clinical Nurse Educator supports the achievement of quality patient care and cost effective outcomes through the enhancement of professional practice. The Surgical Care Clinical Nurse Educator works with nursing staff and interdisciplinary teams/departments throughout the district to; plan, develop and respond to the learning needs of staff and collaborates with team members to provide leadership and mentoring by planning and coordinating as well as delivering education programs, orientation , in-services and cross training within Surgical Care Services. The Surgical Care Clinical Nurse Educator is skilled in facilitation, consultation and coordination and delivery of education programs and events. In order to maintain current clinical knowledge, the Surgical Care Clinical Nurse Educator will remain current in knowledge, skills as well as best practices for all areas within Surgical Care Services. Travel to sites within the District is required.

REQUIREMENTS:

- Registered (or eligible to be registered) with the College of Registered Nurses of Nova Scotia (CRNNS).
- B.Sc.N or B.N.
- Masters degree in Nursing/Health Care or related discipline; if not available enrolled in same.
- Current BCLS, ACLS
- Recognized Leadership Development Education course.
- Minimum of 5 years recent Medical and Surgical Care experience
- Recent experience in adult education and demonstrated teaching ability in the Surgical Acute Care setting.
- National Medical-Surgical Nursing Certification and or willing to enroll and complete.
- Ability to work with minimal supervision, on a consultative basis, within the health care team.
- Working knowledge of program development, implementation and evaluation, utilizing an interdisciplinary team approach to achieve positive outcomes.
- Demonstrated initiative, innovative problem solving and application of evidence based practice.
- Evidence of effective interpersonal relations and communications with all areas of staff in a variety of contexts.
- Computer skills including Meditech, Word Processing, Spreadsheets and Power Point Presentations.
- Good attendance and work record, and the physical ability to perform the duties of the position.
- A valid driver's license and access to transportation is required.

We value diversity in the workplace and strongly encourage applications from all qualified candidates including African Canadians and other members of the visible minority community, Aboriginal peoples, persons with disabilities, and women in non-traditional roles.

Note: Your completed application, qualifications, status and seniority as of the closing date of this competition, and the inclusion of your current resume will be the information on which the decision is based. Applications may be faxed to (902) 567-7224, sent by e-mail to jobapplications@cbdha.nshealth.ca, or mailed but must be received no later than 4:00 p.m. Atlantic Standard Time on the Closing Date.
